● ABOUT ME

Reliable, hardworking and responsible professional with several years of experience in IT, software development and technical support, along with practical experience in residential cleaning. I am currently studying for a Master's degree in Service Innovation and Design at Laurea University of Applied Sciences in Finland. I am looking for part-time work and am interested in opportunities in IT support, software development, restaurants, cleaning, customer service and other suitable roles. I am a quick learner, comfortable working independently or as part of a team, and flexible with working hours, including evenings and weekends. I am motivated to learn new skills and gain professional work experience in Finland.
